FEEDING INSTRUCTIONS:

Swine: Top-dress 1 to 2 pounds of Show Rite Muscle-In-Motion Top Dress with 3 to 6 pounds of any SHOW-RITE Complete Swine Feed. Feed to achieve desired body composition and muscle mass to show pigs that weigh from 120 lbs. to show weight.

Sheep and Goats: Top-dress 6 ounces per day of Show Rite Muscle-In-Motion Top Dress.

Beef Cattle: For growing and finishing cattle, top dress Show Rite Muscle-In-Motion Top Dress at the rate of 1 to 2 pounds per feeding.

Always supply a source of fresh, clean water.

INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

This multi-species product has been formulated specifically for swine, sheep, goats and beef cattle and is not intended for other species.

This multi-species product is formulated without added copper and may not provide adequate copper for optimal swine, goats and beef cattle performance. Please provide a separate source of copper, such as free choice mineral, if feeding this product to swine, goats and beef cattle. *Do not provide another source of copper if feeding sheep.*

PROFILE:

Show-Rite Muscle-In-Motion is a top-dress and formulated to improve muscle mass, muscle shape, and water retention without the effects of paylean or other drugs.

Show-Rite Muscle-In-Motion is a pelleted product to help promote better feed consumption.

Added high levels of Lysine and other Amino Acids, high levels of Fat, and high levels of Fishmeal
